BUILT FOR UK SMALL BUSINESSES

Monthly plans. Cancel any time.

Small Business AI Growth

Less time on marketing. More attention for your customers.

Create content, organise enquiries and keep your business moving.

01

Create & plan

Draft marketing, upload or generate visuals, and plan posts in your content calendar.

02

Keep leads on track

Organise customer enquiries, track progress and see activity on your dashboard.

03

Answer & follow up

On Professional and Business: website chat and AI-drafted follow-ups for enquiries.

For the businesses that keep Britain moving

Trades & home services

Share recent jobs and follow up quote enquiries.

Beauty & wellbeing

Promote treatments and organise booking enquiries.

Cafés & local shops

Create seasonal offers and product announcements.

Professional services

Explain your expertise and follow up potential clients.

Choose your monthly plan

No setup fees. No VAT charged.

PLAN FEATURES	Starter £19 / month	Professional £49 / month	Business £99 / month
AI generations / month	50	300	1,500
Website assistant chats / month	Not included	500	3,000
Leads stored	100	1,000	Unlimited
AI-drafted follow-ups	Not included	Included	Included

All plans include AI marketing, lead management, a customer portal and a business dashboard. Plan AI allowances also cover generated visuals; uploaded files do not use an AI generation.

Social publishing and scheduling depend on network approval and permissions. TikTok is immediate-only and public visibility may be restricted. X requires your own developer keys and paid X credits.
